## **No entry into heaven without Jesus.**

*Some years ago, I was denied entry into my country of destination because of visa problems. Although I was under the assumption my visa had been correctly issued by the country I planned to visit, it was deemed invalid. Despite the efforts of my pleading, nothing could be done. I was not allowed in. Instead, I was placed on the next flight back to England. No amount of intervention could change the fact that I did not have the proper validation for entrance.*

*That experience with my visa was inconvenient, but it can't begin to compare with the ultimate entry rejection. I'm speaking of those who will stand before God without valid entry into heaven. What if they were to present the record of their religious efforts or good deeds? That would not be enough. What if they were to call character references? That wouldn't work either. Only one thing can give anyone entry into heaven. Jesus said, **"I am the way, the truth, and the life. No one comes to the Father except through Me"** (John 14:6).*

*Christ alone, through His death, paid the price for our sins. And only He can give us valid entry into the presence of the Father – the One who issued the decree and raised Jesus from the dead.*

*Have you put your faith in Jesus? Make sure you have a valid entry into heaven. Claim the Lord Jesus as your Saviour today, and meet with those who have done so already, at a church where the Bible is taught and preached.*
